Get Well First

Don't risk even a penny—until health first returns.

And I know just exactly that. I am the only physician who says to the sick "I will not let you out of my hands until you are well."

And for 20 years Dr. Shoop's Restorative has been used and recommended in every city and town in America. They are positively standard in every community—and everywhere.

Then why pay the cost, and at your own risk, for other unproven and untried medicines? Thousands upon thousands have, in the past, successfully used Dr. Shoop's Restorative.

When the stomach nerves, or the heart or kidney nerves fail, these sick ones know how quickly Dr. Shoop's Restorative will bring them back to health again. But best of all, they pay for it by taking no money risk whatever. They know that when their health fails to return, Dr. Shoop's Restorative will pay the doctor for that.

But test a full 30 day treatment is freely granted. But write me first for an order.

This will save delay and disappointment. All druggists sell Dr. Shoop's Restorative and Dr. Shoop's Rheumatic Remedy, but all are not equal. I have appointed an honest and responsible druggist to sell my medicines to those who are not well. Besides you are perfectly free to consult me just as you would your home physician. My advice and the book below are yours—and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private advice.

Little Boy Teddy, come blow your horn; the Elephant's lost as sure as you're born. He's wandered away (where he ought not to go, and the trust'll sure get him-so blow Teddy, blow. He'll come if he hears you Little Boy Ted (I fear, though the poor beast is already dead.) So blow your horn loudly-loudly, I say-the G. O. P. Elephant's wandered away. He's been shot by a Cannon, he's weary and lame, but it's plain to be seen that the poor critter's game. An' maby perhaps if he hears you, O Ted, he'll turn about face and return to his bed. He's Aldriched and Ballingered, Daizelled and Payned; there are sores on his legs (where the poor beast was chained; his back it is swayed, an' his head's hangin' low; so blow your horn, Teddy, for goodness' sake blow. For the G. O. P. Elephant's wandered away, an' I hear a suspiciously clear sound-in' bray. Yes, Little boy Ted come blow your horn, or the Elephant's done for as sure's you're born- your good old pal Elephant, all shaven and shorn.—Exchange
